Business never looked better in black & white

Big impact, small size. Now you can ensure your business communications create a big impression – with only a little effort. Both the Canon iR1018/1022 and iR2018/2030 Series combine the skills of many devices into small space-saving multifunctional units, giving you high quality printing, scanning, copying and sending.

COPY SCAN PRINT SEND

Canon iR1018/1022 – Communicate with incredible speed

Entry level pricing, high quality A4 printing

Sitting comfortably on your desk, Canon iR1018/22 printers will help you print, copy and fax desktop communications quickly in black and white, plus you can scan and send in glorious colour too.

FAST, EFFECTIVE, PRODUCTIVE

Canon iR1018/22 printers meet the specific requirements of small business or workgroups needing compact, cost-effective power. You can print 18-22 pages per minute and also scan and send information directly from the device in a variety of formats.

PLUG AND PLAY

To save you time and increase productivity, all these devices come network ready*.

WHY CHOOSE A4?

- Ideal when space is at a premium.
- When you need the versatility of an A3 device e.g.
 - Scan and send
 - Fax
 - iFax
 - Collate and staple

* The iR1018, iR1022A & iR1022F come with UFR II and require a network adaptor. The iR1022i & iR1022iF come with UFR II & PCL and network adaptor as standard.

SAVE SPACE, AND THE ENVIRONMENT TOO

A compact footprint means you don't have to use valuable floor space for different devices, you get everything you need in one small desktop model. As part of Canon's commitment to reducing environmental impact, these models automatically go into energy-saving sleep mode when the device is not in use – and can power back up in seconds as soon as they are needed.

**STANDY-BY POWER
CONSUMPTION: 4.65 W**

WHY BUY CANON GENUINE CONSUMABLES?

Only Canon genuine consumables can guarantee optimal device performance and the highest quality output.
