**CLC4040**  
Light Production  
Colour Range

## Compact, powerful colour production

The CLC4040 continues Canon's heritage of outstanding colour production engines. Designed for Light Production environments the CLC4040 is a powerful, feature-rich colour printer with a compact footprint.

40 pages  
per minute

Advanced  
finishing

**High productivity** at 40 ppm in colour and black and white

Superb, consistent colour prints with a **professional finish**

**Versatile media handling** utilising 6 separate media sources concurrently

**Advanced finishing** including booklet making up to 305 x 457mm

Full-colour touch-screen **operation panel**

**Powerful file processing** and job management

Pre-press workflow **integration and flexibility**

Versatile  
media  
handling

**Quality and performance for print professionals.**
