multifunctional digital solutions

*Profit from All-in-One  
office productivity*

## *Make your office more productive in one easy move*

Trust Canon to improve the way you work in the office. With the multifunctional iR1210 you can increase productivity - while saving on time and space. Its ingenious design combines a fast digital copier with a high quality laser printer, bringing you enhanced copying capability and pin-sharp printing. Plus a unique toner refill system reduces running costs.

The iR1200 series gives you the freedom to fulfil your exact needs. You can choose to benefit from digital black and white copying and printing. Or take the next step and increase productivity with an Automatic Document Feeder. You can even meet all your communication needs with the addition of high performance faxing. In short, profit from one machine that does the work of many.

**THE CANON IR1210:  
FOR DIGITAL COPYING AND  
PRINTING PERFECTION**

**FAST, HIGH QUALITY COPYING**

With no warm-up time and a speed of 12 copies per minute, you'll get through your work quickly and effortlessly. Resolution is a super high 1200 x 600 dpi, while digital flexibility lets you copy up to 99 pages from just one scan. You can even scan two originals and copy them onto one A4 page. Electronic collating sorts your documents automatically. And a 100-sheet stack bypass allows copying onto a wide range of media including transparencies.

**PROFESSIONAL PRINT OUTPUT**

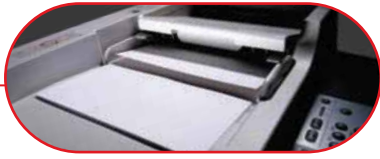

The iR1210 delivers 12 prints per minute with a professional print resolution reaching right up to 2400 x 600 dpi (enhanced). Also a new spherical toner helps ensure high quality output for both printing and copying. So all your work – including detailed graphic images – always looks exceptional.

**EASE AND COST SAVINGS**

Whether you're copying or printing, the iR1210 is exceptionally simple to operate. What's more, an efficient toner refill system and toner saving mode means that the toner lasts longer - while still ensuring high quality output. Thus reducing your overall running costs.

**OPTIONAL NETWORK PRINTING**

With the optional Windows supportive network adapter you can quickly connect the iR1210 to your office network, allowing users to share all the benefits of professional laser printing. It's the ideal way to make the most of the iR1210 and boost overall office productivity.

**THE CANON IR1230:  
THE ADDED ADVANTAGE OF AUTOMATIC  
FEEDING**

Further office efficiency can be achieved by selecting the iR1230, bringing you all the benefits of the iR1210, with the added advantage of a 30-sheet Automatic Document Feeder. Faster paper throughput and rapid document handling increases productivity, whilst the wingless design saves space. Better still, the iR1230 continues to maintain 100% productivity when the document feeder is in use.

**THE CANON IR1270F:  
EVERYTHING PLUS HIGH  
PERFORMANCE FAXING**

Enhance your communication capability with the fully featured iR1270F. It offers you all the benefits of the iR1230 - plus a high quality fax function to provide productive business communication at the touch of a button. And, what's more, the functions operate concurrently - so you can copy or print even when receiving a fax in memory.

**FULL FAX FUNCTIONALITY**

Advanced digital laser technology makes this an ideal fax for the busy office. Its Super G3 capacity means it can scan documents at 17 ipm\* and has a high transmission speed of less than 3 seconds per page. It can store up to 255 pages in memory - ready to be sent or printed out later. It offers all the features of a high performance fax, such as one-touch speed dialling (12 numbers), coded dialling (100 numbers) and high quality printouts on plain paper. In a word, superb.

#### ***Your Canon iR1210 benefits***

- All-in-One digital copier and laser printer
- Laser copy quality (12 ppm, 600 x 600 dpi / up to 1200 x 600 dpi enhanced)
- High print resolution (12ppm, 600 x 600 dpi / up to 2400 x 600 dpi enhanced)
- Easy-to-use advanced printing system

#### ***Your Canon iR1230 benefits***

##### ***All the features of the iR1210 plus:***

- Digital copier and laser printer with ADF
- 30-sheet Automatic Document Feeder
- Faster paper movement and more efficient document handling
- Space saving wingless design

#### ***Your Canon iR1270F benefits***

##### ***All the features of the iR1230 plus:***

- Digital copier, laser printer, ADF and fax advantages
- High performance laser fax functionality
- Fast 3 seconds per page transmission
- Stores up to 255 pages in memory
- Can copy and receive a fax simultaneously

## iR1210/iR1230/iR1270F Specifications

Main Unit	
Type	Desktop
Copying System	Laser Dry Electrostatic Transfer System
Platen	Fixed
Acceptable Originals	Sheets, Books and other 3 dimensional objects (up to 2kg)
Max. Original Size	A4
Copy Size	A4 to A5
Copy Speed	12ppm
Warm Up Time	From Power Off – 4.5 sec. Max From Energy Saver Mode – 1 sec. Max
Paper	Cassette, 64 – 80 g/m <sup>2</sup> Stack Bypass, 56 – 128 g/m <sup>2</sup>
Cassette	250 sheets cassette: A4
Paper Feeding	One cassette and Stack Bypass
Paper Capacity	Cassette, 250 sheets s (80 g/m <sup>2</sup> ) Stack Bypass, 100 sheets (80 g/m <sup>2</sup> )
Memory	16MB
Power Supply	230V/50Hz – 60Hz
Power Consumption (W)	230V/1.9A Max 890W or less
Dimensions (WxDxH)	475x442x295mm (w/o ADF – iR1210) 475x442x352mm (With ADF – iR1230 & iR1270F)
Weight (kg)	Approx. 20.5 kg (w/o ADF – iR1210) Approx. 22.6 kg (with ADF – iR1230 & iR1270F)
Copier Specification	
First Copy Time	13 Seconds or less
Zoom	50% - 200% (In 1% Increments)
Multiple Copies	1 - 99 Sheets
Scanning Resolution	600x600dpi
Printing Resolution	600x600dpi + RST (1200x600dpi)
Paper Size	A4, A5 (from Stack Bypass)
Original Type Selection	Text, Photo and Text & Photo
Toner Saver Mode	Yes
Energy Saver Key	Yes
Document Feed (ADF)	iR1230 and iR1270F only Document Processing Speed, 12ipm (A4) Document Capacity, 30 sheets (80 g/m <sup>2</sup> )

Printer Specification	
Print Speed	12 ppm
Engine Resolution	600x600dpi
Printing Resolution	2400x600dpi (AIR)
Smoothing	AIR (Automatic Image Refinement)
Memory	2MB
Printing Method	CAPT
Network	AXIS Network Adapter (TCP/IP, NetBEUI)
User Software	Windows® 95/98/Me/NT4.0/2000/XP CAPT Printer Driver, NetSpot 3.3.2®, NetSpot Console 2.30®, NetSpot Device Installer 1.01®, Remote Diagnosis Server 1.21®
Fax Specification (iR1270F ONLY)	
Compatibility	Super G3
Compression System	MH, MR, MMR, JBIG
Modem Speed	33.6Kbps
Transmission Speed	Less than 3 seconds (Canon Facsimile Standard Chart)
Fax Scanning Speed	17 sheets/min (A4)
One Touch Speed Dialling	12
Coded Speed Dialling	100
Group Dialling	Max. 111
No. of Pages in memory	255 pages (Canon No.1 Chart, STD Mode)
PC Interface	
IEEE1284	Yes
USB	Yes, USB 2.0 Full Speed USB 1.1 equivalent
